

Steeple Woodland Project

Equal Opportunities Policy

1. The Steeple Woodland Project Group supports the principle of equal opportunities in all activities of the Group, including membership of the group, training opportunities, volunteer or educational activities, and in matters of employment.
2. The Group will not discriminate on the grounds of colour, race, gender, disability, marital status, sexual orientation, religion, age, nationality, or ethnic origin. The Group believes that it is in the best interest of the aims of the Project to ensure that the human resources, talents and skills available throughout the community are considered when the opportunity arises.
3. The Group seeks to have a membership as representative of the local community as possible. Every step possible will be taken to ensure individuals are treated equally and fairly.
4. Failure of any member to observe the principles of equal opportunities will be considered as grounds for expulsion from the Group.
